Dear dance enthusiasts,

we would like to invite you and the dancers of your company to the **Tanzkongress 2022**, an event by the German Federal Cultural Foundation in cooperation with the Staatstheater Mainz / tanzmainz, which is set to take place from 16 to 19 June in Mainz, Germany. At a time when cultural systems are becoming increasingly interconnected, **Sharing Potentials** is the order of the day and the guiding concept that will transform *Tanzkongress 2022 – Sharing Potentials* into a site of exchange for the dance scene. The main topics will focus on the professional reality of dancers, the strengthening of diverse approaches to dialogue and cooperation, and the newly built bridges between repertory theatres and the independent scene. Dancers, choreographers, company and theatre directors, producers, and other dance professionals are invited to share their perspectives.

A personal message from **Amber Pansters & Finn Lakeberg**, curators of the module ***Dancers as Experts***: “Dear colleagues, the module *Dancers as Experts* of Tanzkongress 2022 is conceptualised and curated by dancers – for dancers. This part offers possibilities to reflect on and exchange about how we see and shape our role within our work contexts and beyond. Furthermore, it addresses burning issues and questions regarding dance-specific discourses as well as matters of global concern through a variety of formats. We want to personally invite you to join the conversations at the congress and dance together!”

We invite you to visit our website [www.tanzkongress2022.de](http://www.tanzkongress2022.de) for further information on registration requirements and practical questions. The full congress schedule and accompanying performance programme will be released on April 26, 2022.

We would be happy if you could forward this e-mail to all the individual dancers of your company.

Warm regards,  
the Tanzkongress 2022 team
